

# Need a tough, long lasting bedliner system?

## Come to *Maine Trailer!*

*With our new RE-PRO Liner Systems, you can...*

- Dump quicker & cleaner – less sticking and freezing
- Unload at lower scopes – reducing risk of roll-overs
- Eliminate reflooring costs

RE-PRO Bedliners withstand abrasive loads and are the most durable bedliners anywhere! They won't break, crack or shatter – even at 200° below zero.

*RE-PRO Bedliners in-stock and professional installation available in our Bangor and Scarborough locations.*
